

Multi-Stakeholder Working Groups

Participant Organisations

V1.1 | 13th June 2024

MSWG Number	MSWG Name	Organisation	Description
1	IFM	Manulife Investment Management	Carbon crediting methodology experts, including methodology development and project development
1	IFM	Anew Climate	Carbon crediting methodology experts, including methodology development and project development
1	IFM	Ecofor/Acre.io	Carbon crediting methodology experts, including methodology development and project development
1	IFM	American Forest Foundation	Carbon crediting methodology experts, including methodology development and project development
1	IFM	Rubicon Carbon	Carbon crediting methodology experts, including methodology development and project development
1	IFM	Greenhouse Gas Management Institute	Carbon crediting methodology experts, including methodology development and project development
1	IFM	SEI	ICVCM Experts
1	IFM	UNEP	ICVCM Experts
1	IFM	Clear Blue Markets	ICVCM Experts
1	IFM	Bret-Co	IPs & LCs
1	IFM	WWF	IPs & LCs
1	IFM	CAR	Carbon crediting methodology experts, including methodology development and project development
1	IFM	VERRA	Carbon crediting methodology experts, including methodology

			development and project development
2	AGRICULTURE & ARR	EDF	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Forliance GmbH	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	The Nature Conservancy Colombia	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Calyx Global, Inc.	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Carbonext	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Earth Optics	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Independent	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Indigo Ag	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Green Star Royalties	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Macquarie Bank Limited	Carbon crediting methodology experts, including methodology

			development and project development
2	AGRICULTURE & ARR	GreenCollar	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	Forest Carbon and Climate Program / Biocarbon	ICVCM Experts
2	AGRICULTURE & ARR	ATM-ALT	ICVCM Experts
2	AGRICULTURE & ARR	Conservation.org	IPs & LCs
2	AGRICULTURE & ARR	WWF	IPs & LCs
2	AGRICULTURE & ARR	Gold Standard	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	ACR	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	CAR	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	VERRA	Carbon crediting methodology experts, including methodology development and project development
2	AGRICULTURE & ARR	High Tide	ICVCM Standards Oversight Committee Co-Chair & members
2	AGRICULTURE & ARR	Natural Climate Solutions Alliance	ICVCM Standards Oversight Committee Co-Chair & members
3	RENEWABLES	C.E.L.L Investment GmbH	Carbon crediting methodology experts, including methodology development and project development
3	RENEWABLES	Infinite Solutions	Carbon crediting methodology experts, including methodology

			development and project development
3	RENEWABLES	International Energy Agency	Carbon crediting methodology experts, including methodology development and project development
3	RENEWABLES	Mundo Verde Climate	Carbon crediting methodology experts, including methodology development and project development
3	RENEWABLES	Promethium Carbon	Carbon crediting methodology experts, including methodology development and project development
3	RENEWABLES	ecosecurities	Carbon crediting methodology experts, including methodology development and project development
3	RENEWABLES	Climatrader	ICVCM Experts
3	RENEWABLES	EDF	ICVCM Experts
3	RENEWABLES	Carbon Limits	ICVCM Experts
3	RENEWABLES	Dubai Carbon	IPs & LCs
3	RENEWABLES	Cascade Institute	IPs & LCs
3	RENEWABLES	Gold Standard	Carbon crediting methodology experts, including methodology development and project development
3	RENEWABLES	Verra	Carbon crediting methodology experts, including methodology development and project development
3	RENEWABLES	High Tide Foundation	ICVCM Standards Oversight Committee Co-Chair & members
4	REDD	Amazon	Carbon crediting methodology experts, including methodology development and project development
4	REDD	Governors' Climate & Forests Task Force	Carbon crediting methodology experts, including methodology development and project development

4	REDD	Wildlife Works	Carbon crediting methodology experts, including methodology development and project development
4	REDD	Conservation International	Carbon crediting methodology experts, including methodology development and project development
4	REDD	UNEP	ICVCM Experts
4	REDD	EDF	ICVCM Experts
4	REDD	Natural Climate Solutions (NCS) and Communities under the Center for Communities and Conservation (CCC) at Conservation International	IPs & LCs
4	REDD	National Association of Contract Executors for the Administration of Peruvian Communal Reserves	IPs & LCs
4	REDD	ART	Carbon crediting methodology experts, including methodology development and project development
4	REDD	CAR	Carbon crediting methodology experts, including methodology development and project development
4	REDD	Verra	Carbon crediting methodology experts, including methodology development and project development
4	REDD	Bezos Earth Fund	ICVCM Standards Oversight Committee Co-Chair & members
4	REDD	Dragonfly advisory	ICVCM Standards Oversight Committee Co-Chair & members
4	REDD	WRI	ICVCM Standards Oversight Committee Co-Chair & members
4	REDD	Permian Global	Carbon crediting methodology experts, including methodology development and project development

4	REDD	ClearWind	Carbon crediting methodology experts, including methodology development and project development
4	REDD	Instituto de Mudanças Climáticas e Regulação de Serviços Ambientais	Carbon crediting methodology experts, including methodology development and project development
4	REDD	Ghana's Forestry Commission	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Up Energy Group	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Climate Impact Partners	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Clean Cooking Alliance	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	BioLite	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Burn Manufacturing	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Shell	Carbon crediting methodology experts, including methodology development and project development

5	Energy Demand	Fair Climate Network	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	UNFCCC	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Co2	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Commonland	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Aprovecho Research Center	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Earthood VVB	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Climate Protection Projects & Emissions Trading	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Sistema.bio	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Climate Solutions	Carbon crediting methodology experts,

			including methodology development and project development
5	Energy Demand	Sylvera	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	TASC Ltd	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Climate Focus	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	UNEP	ICVCM Experts
5	Energy Demand	EPCC	ICVCM Experts
5	Energy Demand	Verra	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Gold Standard	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Social Carbon	Carbon crediting methodology experts, including methodology development and project development
5	Energy Demand	Atmosphere Alternative	ICVCM Standards Oversight Committee Co-Chair & members
5	Energy Demand	South South North	ICVCM Standards Oversight Committee Co-Chair & members
5	Energy Demand	High Tide Foundation	ICVCM Standards Oversight Committee Co-Chair & members

5	Energy Demand	Dwain Qalovaki & Associates	IPs & LCs
